

Appl. No. 10/657,585 Filed September 8, 2003

For: Chemically and Thermally Stabilized Alumina for...
Replacement Sheet

1/3

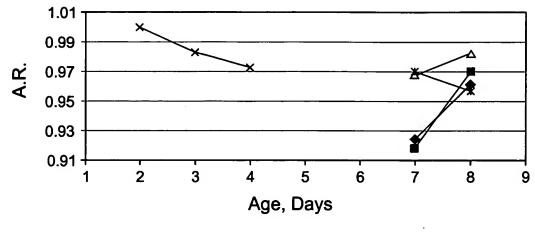

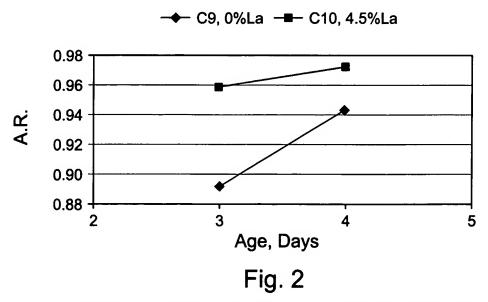

Fig. 1

Comparison of activity retention, A.R. for catalysts C1-C5

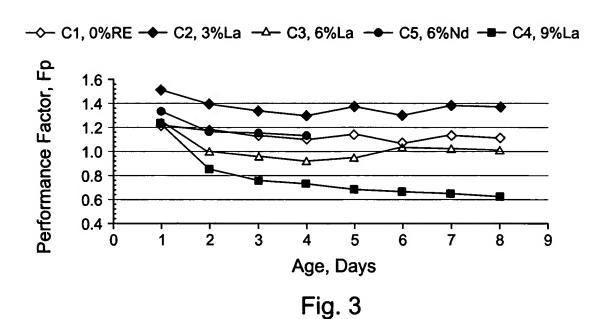

Comparison of activity retention, A.R. of catalysts C9 and C10

1

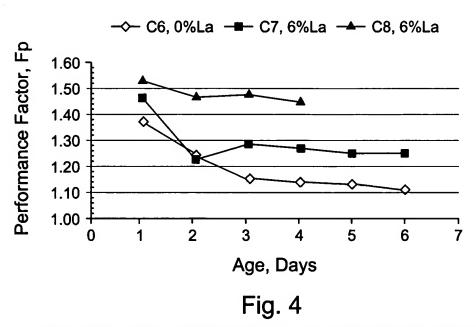

Appl. No. 10/657,585
Filed September 8, 2003
For: Chemically and Thermally Stabilized Alumina for...
Replacement Sheet

2/3

Г

Comparison of the performance factor, Fp of catalysts C1-C5

Comparison of the performance factor, Fp of catalysts C6, C7 and C8
